## PARTICIPANTS SHOULD OBSERVE THE FOLLOWING GUIDELINES:

1. Wear mask at all times except consumption of food,
2. Participants are required to strictly observe at least 1-metre social distancing,
3. Groups must maintain a distance of 3-metres apart (3 arms-length) from one another at all times, space will be designated to each individual/group with the requisite social distancing measures in place
4. Other than gathering for the purpose of the approved activity, participants should not socialize before and after the activity,
5. Ensure that there is no cross- mingling between these assigned groups of five
6. Participants should remain within their designated space/group and not come into close physical contact with other individuals/groups both inside and outside the activity space. Do not access any space that is not allocated to you.
7. Please continue to observe personal hygiene with regular hand washing/sanitising
- .8. As the above stated measures are to ensure the safety and wellbeing of everyone, compliance is mandatory.

Disciplinary actions will be taken against the student(s) for any non-compliance
